FOUNDATION FOR RED DEER PUBLIC SCHOOLS GOLF TOURNAMENT

Going above and beyond for kids

The Foundation for Red Deer Public Schools is dedicated to giving students the best 'life chance' by enhancing learning experiences, removing barriers, and empowering youth. We raise funds from within the community for programs and supports that significantly benefit Red Deer Public Schools students and are outside of educational funding.

The Foundation is committed to achieving adequate and sustainable funding to ensure these 'above and beyond' programs and supports can continue. To further our mission, we are excited to host the First Annual Foundation for Red Deer Public Schools Golf Tournament on August 24, 2025 at Alberta Springs Golf Course.

This event is an opportunity to make a lasting impact on the students of Red Deer Public Schools. Funds raised will directly support initiatives such as Reading College, Finish Line, Bright Start and Step up Programs as well as projects like the Ski Loppet, Dawe Run and Choir Kids. Additionally, your support will enhance classroom resources, ensuring that our students have the tools they need to succeed.

We invite you to become a valued sponsor and join us as a community leader committed to advancing education. Our sponsorship opportunities include:

- Presenting Sponsor: \$2500 (1 available)
- Cart Sponsor: \$1500 (1 available)
- Hole In One Sponsor: \$1000 (2 available)
- Game Prize Sponsor: \$500 (Up to 10 available)
- Hole Sponsor: \$250

Your contribution will not only enhance the educational experiences of our students but will also provide excellent visibility for your business within our community. Enclosed, you will find detailed information regarding the sponsorship levels and their associated benefits. We would be delighted to discuss how we can align this partnership with your business goals.

If you are interested in participating or would like more information, please do not hesitate to reach out. We sincerely appreciate your consideration and look forward to the opportunity to collaborate in creating a brighter future for our students.
